

Department of Veterans Affairs

§ 17.40

all medication given or administered to a patient. The attending physician shall review the drug regimen of each patient under his or her care at least every thirty (30) days. It is recognized that administration of certain medications will be reviewed more frequently. Medication shall not be used as punishment, for the convenience of the staff, or in quantities which interfere with the patient's treatment program.

(f) *Confidentiality.* Information gained by staff from the patient or the patient's medical record will be kept confidential and will not be disclosed except in accordance with applicable law.

(g) *Patient grievances.* Each patient has the right to present grievances with respect to perceived infringement of the rights described in this section or concerning any other matter on behalf of himself, herself or others, to staff members at the facility in which the patient is receiving care, other Department of Veterans Affairs officials, government officials, members of Congress or any other person without fear or reprisal.

(h) *Notice of patient's rights.* Upon the admission of any patient, the patient or his/her representative shall be informed of the rights described in this section, shall be given a copy of a statement of those rights and shall be informed of the fact that the statement of rights is posted at each nursing station. All staff members assigned to work with patients will be given a copy of the statement of rights and these rights will be discussed with them by their immediate supervisor.

(i) *Other rights.* The rights described in this section are in addition to and not in derogation of any statutory, constitutional or other legal rights.

(Authority: 38 U.S.C. 501, 1721)

TENTATIVE ELIGIBILITY DETERMINATIONS

§ 17.34 Tentative eligibility determinations.

When an application for hospital care or other medical services, except outpatient dental care, has been filed which requires an adjudication as to service connection or a determination

as to any other eligibility prerequisite which cannot immediately be established, the service (including transportation) may be authorized without further delay if it is determined that eligibility for care probably will be established. Tentative eligibility determinations under this section, however, will only be made if:

(a) *In emergencies.* The applicant needs hospital care or other medical services in emergency circumstances, or

(b) *For persons recently discharged from service.* The application was filed within 6 months after date of honorable discharge from a period of not less than 6 months of active duty.

HOSPITAL, DOMICILIARY AND NURSING HOME CARE

§ 17.43 Persons entitled to hospital or domiciliary care.

Hospital or domiciliary care may be provided:

(a) Subject to the provisions of 38 U.S.C. 1710, 1722, and 1729, and 38 CFR 17.44 and 17.45, for persons eligible as veterans or on the basis of service in the uniformed services.

(b) Not subject to the eligibility provisions of 38 U.S.C. 1710, 1722, and 1729, and 38 CFR 17.44 and 17.45, for:

(1) Persons in the Armed Forces when duly referred with authorization therefor, may be furnished hospital care. Emergency treatment may be rendered, without obtaining formal authorization, to such persons upon their own application, when absent from their commands. Identification of active duty members of the uniformed services will be made by military identification card.

(2) Hospital care may be provided, upon authorization, for beneficiaries of the Public Health Service, Office of Workers' Compensation Programs, and other Federal agencies.

(3) Pensioners of nations allied with the United States in World War I and World War II may be supplied hospital care when duly authorized.
